DOC MOCK PARK MEMORIAL TREE APPLICATION

The Town of Patagonia is proud to support the beautification and renewal of Dr. Mock Memorial Park through the planting of trees honoring loved ones, organizations, and meaningful causes.

As part of this program, the Town offers high-quality trees for a donation of \$230.00, which helps cover the cost of the tree, the personalized plaque, and the irrigation installation.

Each memorial tree is backed by a one-year guarantee. If a tree does not survive within one year of planting, the Town will gladly replace it at no additional cost. Once planted, the tree becomes the property of the Town of Patagonia, and the Town will provide ongoing care and maintenance, including watering, pruning, fertilizing, and mulching as needed.

REQUESTED INFORMATION

In ☐ Memory / ☐ Honor of _____ Name of person, organization, cause, or pet
The tree is for a: ☐ Person ☐ Organization ☐ Cause ☐ Pet
Inscription on Plaque:

Acknowledgement and Agreement

I understand that all memorial tree donations are subject to approval by the Town of Patagonia and that final decisions regarding tree species, placement, and installation will be determined based on park planning, maintenance needs, and availability.

I agree that the Town of Patagonia reserves the right to relocate or remove trees, if necessary, due to disease, safety concerns, environmental conditions, or future park improvements.
